

Are your recovery agent's procedures putting YOU at risk?

Don't miss the most vital repossession seminar you could attend this year!

Be brought up-to-date on all the latest laws and court filings which affect how your bank or credit union handles repossessions.

Learn and discuss recovery procedures that will minimize YOUR bank or credit union as a potential target for costly litigation.

If your collection manager or legal department head goes to one conference this year...

This is the one!

All attendees will receive a Certificate of Attendance suitable for framing.

Some Recent Comments from Attendees

"The seminar speakers were informative yet entertaining and interesting."

Clarence, Postal Employees Credit Union

"Your seminars are fast-paced, entertaining and informative, upbeat and educational. The speakers were all great presenters. I enjoyed the food and networking during the reception."

Greg, First National Bank of Hamilton

"This was truly an informative and enjoyable seminar. The presenters were all very good, kept my attention, and knew their subjects very well. I also enjoyed the networking reception."

Yesenia, Mattel Federal Credit Union

"Your seminar covered all the facets of repossessions. It was very worthwhile and provided important information in a relaxed setting. I enjoyed all of the presenters."

Karen, GMAC

"This is one of the best practical advice/instructional seminars I have every attended. It has certainly helped to increase our proficiency."
